I PORT LUXE SURFACE MOUNT

The All-New LUXE Surface Mount isn't an update — it's a total reinvention. Power is now built directly into the mount, making installation faster, cleaner, and globally compatible with any 1G box. Machined from aluminum and finished in White Satin or Black Onyx, it delivers both precision and presence. PoE+ supplies up to 30W of power and data through a single Cat6 cable, combining performance with design simplicity.
